Re: Request for an Advisory Opinion

Dear General Counsel,

I am an authorized Chair of the Hardin County Republican Party of Kentucky regarding this request.

Our County Committee wants to spend money on signs and other advertisements in favor of the school choice amendment that will be on the Kentucky ballot November 5, 2024.

1. Can executive committees make expenditures in support or opposition of constitutional amendment ballot issues?
2. If executive committees can make expenditures in support or opposition of constitutional amendment ballot issues, what expenditures are allowed, and which are prohibited?

Would KREF consider the purchasing of the signs and advertising to be an activity subject to KREF regulation?

Please feel free to request additional information.

Sincerely,

Bobbie S. Coleman, Chair
Hardin County Republican Party of KY
